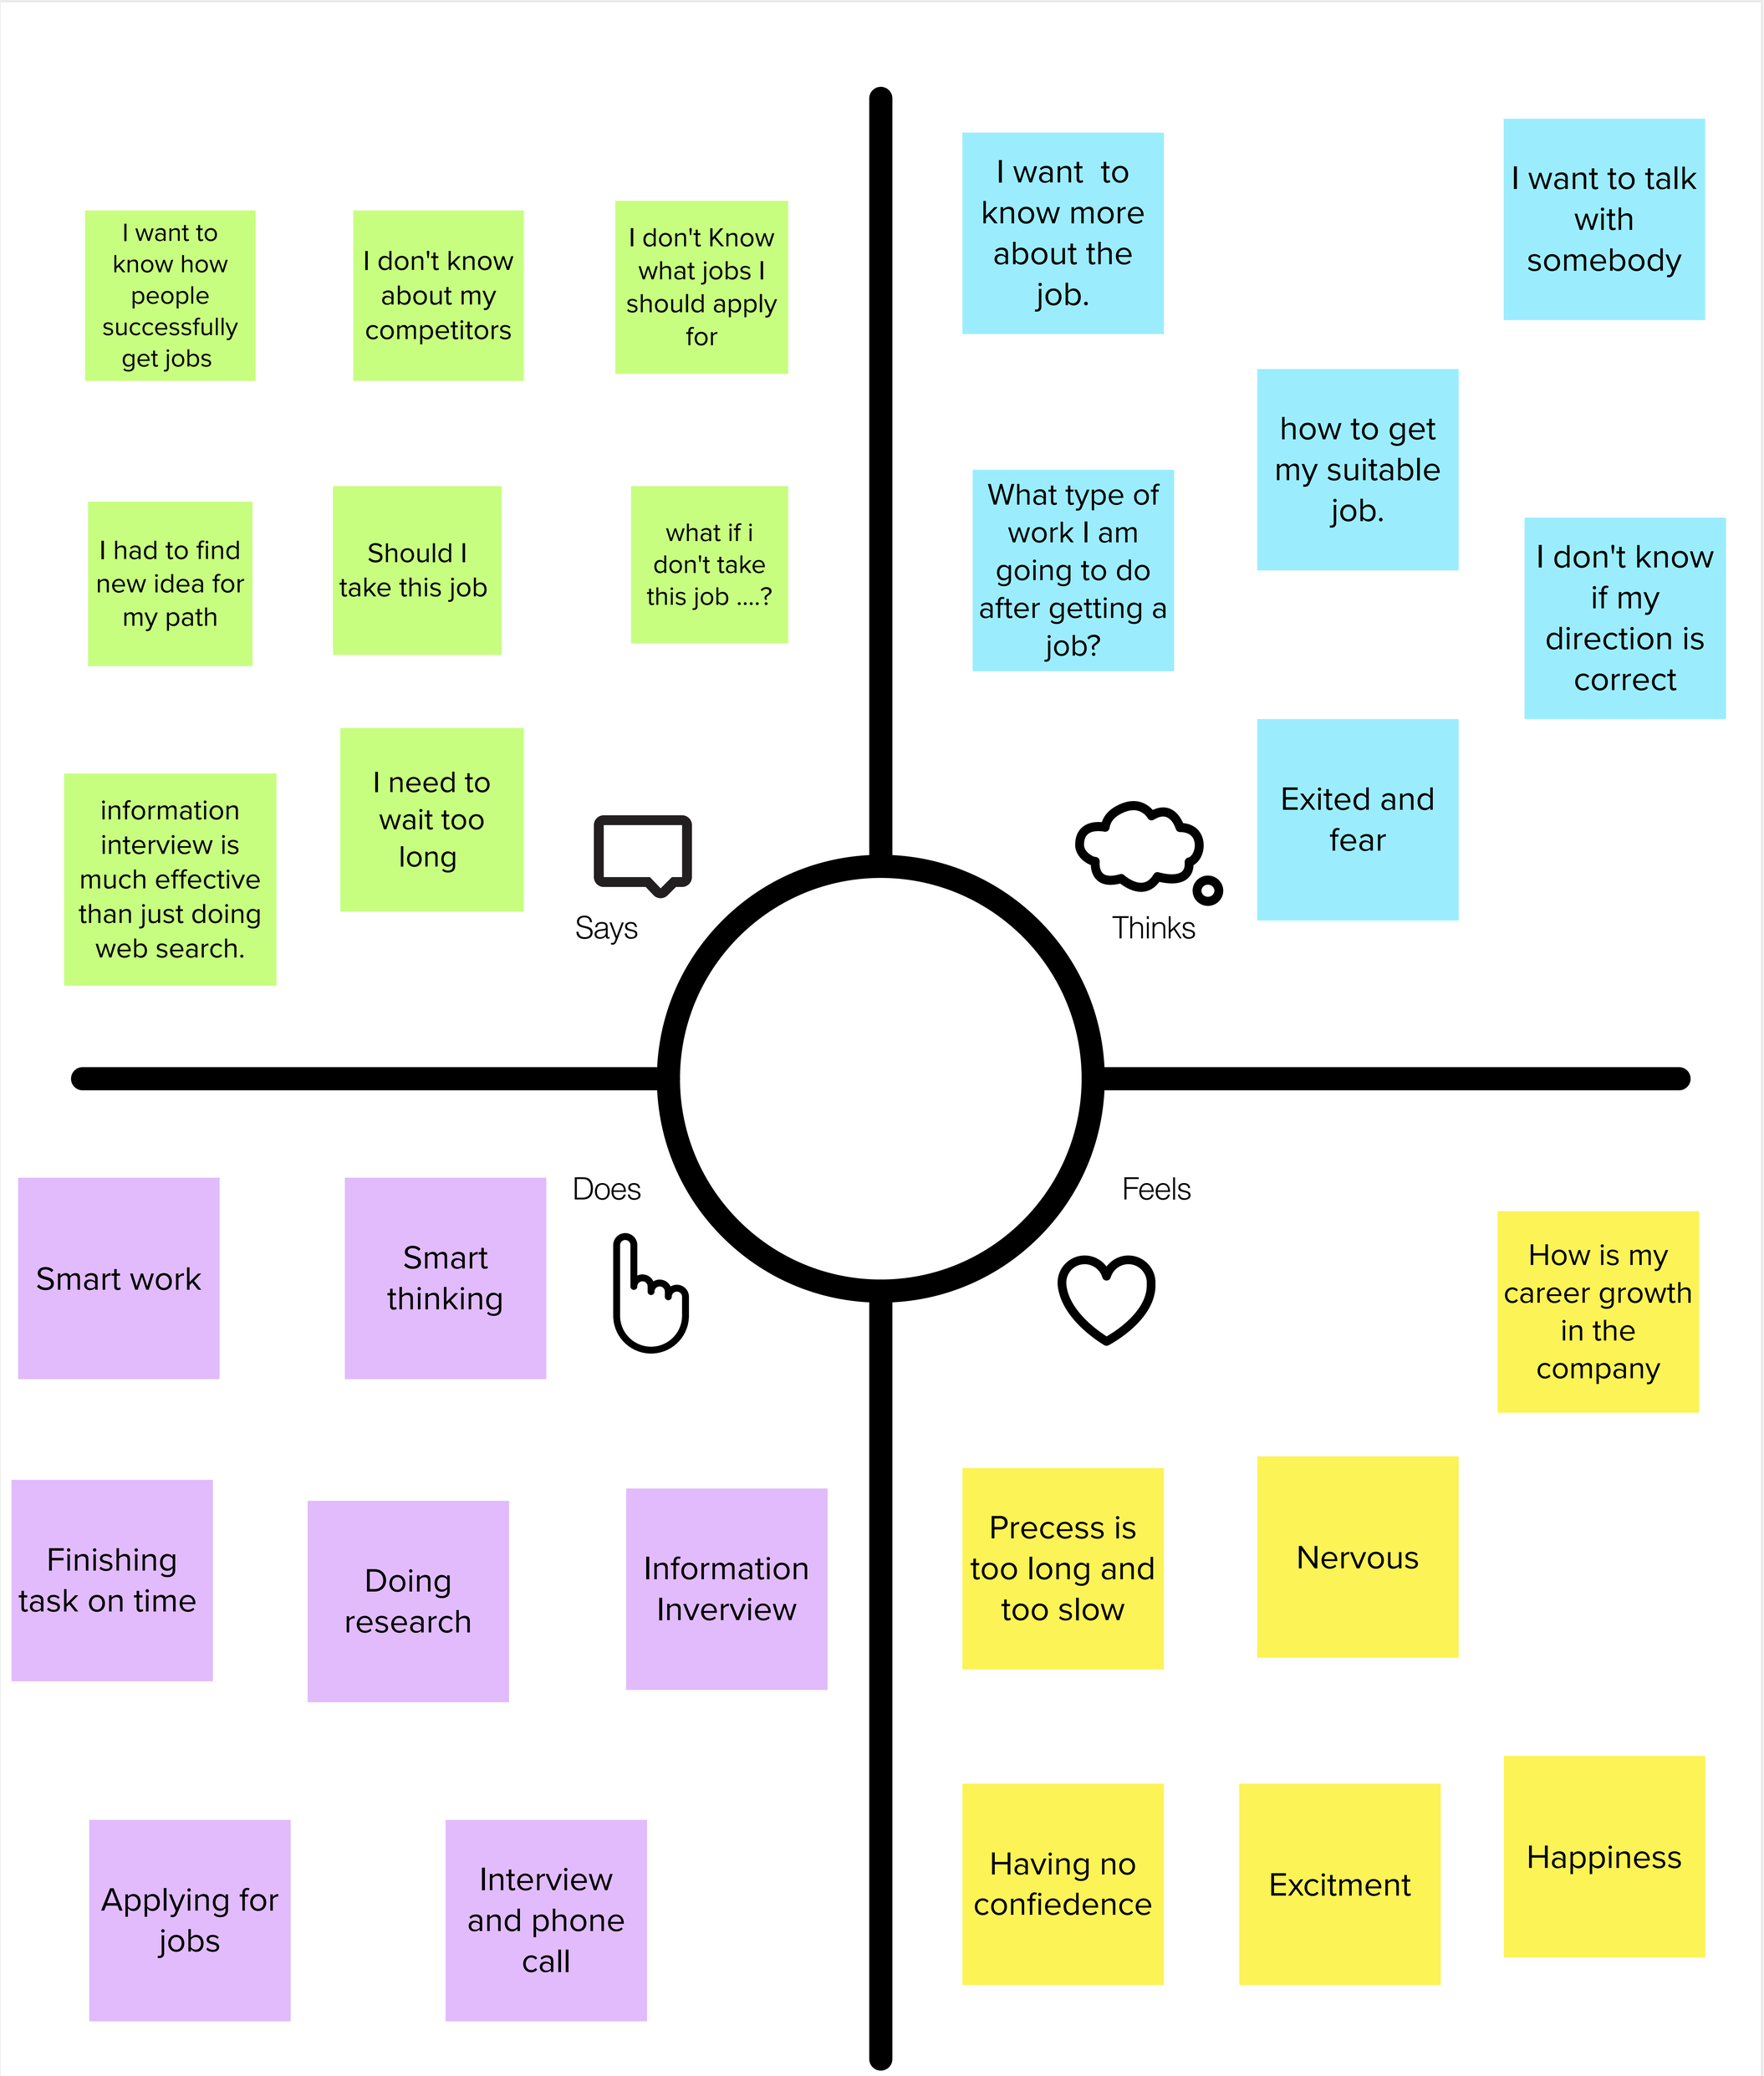
# Empathy Map



I want to know how people successfully get jobs
I don't know about my competitors
I don't Know what jobs I should apply for
I had to find new idea for my path
Should I take this job
what if i don't take this job ....?
information interview is much effective than just doing web search.
I need to wait too long
Says
I want to know more about the job.
I want to talk with somebody
how to get my suitable job.
What type of work I am going to do after getting a job?
I don't know if my direction is correct
Exited and fear
Thinks
Smart work
Smart thinking
Does
Feels
How is my career growth in the company
Finishing task on time
Doing research
Information Inverview
Precess is too long and too slow
Nervous
Applying for jobs
Interview and phone call
Having no confiedence
Excitment
Happiness
