Customer Problem Statement Template:

The problem statement aims at connecting the employer and job seekers where employers are the source of the resources and the job seeker can find and apply for their targeted job. It allows registered users to be able to search for jobs and filter the results based on required skills, salary, experience level, etc.,

Example:

| Problem Statement (PS) | I am (Customer) | I'm trying to | But | Because | Which makes me feel |
|------------------------|-----------------|-------------------------|-----------------------------|-------------------|--|
| PS-1 | User | Need a way to get a Job | How to know the Job vacancy | Lack of Expertise | They can get job based on Skill set Experience |
